## **Two honored for service at Starr**

Starr Commonwealth's vice president of program, Martin L. Mitchell of the Albion, Mich., home campus, was on hand at the annual Christmas luncheon to offer his congratulations and speak of the years of dedicated service each employee represents.

Michael Woodruff and Carolyn Girod were honored for 25 years of employment.

Tom Tate, local director and director of Ohio programs, also offered words of praise for the two honorees.

Girod, a native of York Township, is Lincolnview Langley's school secretary, having worked alongside six principals during her tenure, including the current principal, Gordon Stemen.

Woodruff, as supervisor of maintenance, serves on Starr's administrative team, overseeing seven employees and all facility operations — both buildings and grounds.

He is also a Command Sergeant Major in the U.S. Army Reserves and travels extensively in that capacity.
