

**Elizabeth Evans  
Spencerville High School**

Elizabeth Evans has been chosen by Spencerville High School to represent them in this year's Peony Queen Festival. She is the daughter of Tom and Bonnie Evans.

School activities include volleyball, cheerleading for football and basketball, National Honor Society, Varsity S Club, student council, senior class secretary, yearbook staff, marching and concert band, concert choir and track.

Honors received include academic achievement awards, academic letter, citizenship awards, Northwest Conference Scholar Athlete, varsity letter, English and literature awards, homecoming queen candidate, NHS president, and DAR Good Citizen.

She enjoys playing the piano and singing and she is still

undecided as to which she will do in the Peony Pageant on April 23.

Peer pressure to use drugs and alcohol is seen as one of the most difficult problems that area teens have to face. She is very thankful for the good example set by her parents and for their balance between the right amount of encouragement to succeed and too much pressure to excel. Her church has also been a source of great strength in decision making and setting high standards of behavior.

Career goal is to become a journalist and use her writing skills to promote understanding between different generations, ethnic backgrounds economic status.

She would like to become Peony Queen because she feels a strong sense of connection with the tradition. Her great-grandmother planted many peonies from the original Heinz Farm and they are still carefully tended by her parents.
