Churches

OF

VENEDOCIA, OHIO

FROM

*April 1st, 1936 to March 31st, 1937*

## FOREWORD

Dear Friends:

These pages record in part the measure of your cooperation as members of Salem and Zion churches in your church program during another year. Your pastor would express his appreciation and gratitude to all who have accepted the responsibilities which are theirs as members and as fellow-workers. And for the kindnesses, services, and expressions of interest in and concern for the program, the welfare, and progress of the church, which are not recorded in this booklet, he would also say "Thank you."

We look both backward and forward as one church year closes and another begins. We have done well in the past, and we feel proud of our achievements. But we feel that we cannot be satisfied until we see EVERY PERSON whose name is on our church roll an ACTIVE MEMBER. And this means, we need to be reminded, considerably more than doing our share in meeting our financial obligations to the church: Faithful attendance upon the services of the church, the rendering of some form of Christian service, the honest facing of the privilege and obligation of the Christian stewardship of our possessions, and the deeper cultivation of the devotional life are the worthy goals we might well hold before us this year.

We face the new year confidently. Though saddened again this past year by the calling home of some of God's most devoted servants, we rejoice in the fact that there is a growing leadership exhibiting itself among our middle-aged and young people's groups. For this year we have just begun, we covet for ourselves Paul's outlook when he summed up the purposes of the Church: "That we . . . may grow up into Him in all things, who is the head, even Christ." And since God has given "unto every one of us grace according to the measure of the gift of Christ," let us move forward and not be weary in well-doing.

Cordially yours,

W. T. JONES
