# SALEM AND ZION CONGREGATIONS

January, 1967

Fathers and Brethren:

The bounty of the year of our Lord 1966 has been evidenced in our increased stewardship of Benevolence. The year has closed with all bills paid and Church Buildings in completely usable condition. Therefore it is appropriate that the bounty of our Lord has showered upon us in crops should be reflected in our giving, not to ourselves for our own enjoyment, but to others through the Benevolence side of our envelopes. And so it has. Of this we ought to be gratefully proud. Also, the payments on our past Benevolence debts (the 50 Million Fund), show nearly one third of our three year goal reached! Each family's share is \$60.00 and some families have paid in full already, some in part. This too, under Benevolences, reflects our thank-you to our Lord.

With the passing of the Book of Confessions and Ordination Vow changes (including Confession of 1967) by the Maumee Presbytery, it seems almost certain that our denomination will adopt this call to concern. Since our "call" has always been to evangelize and to teach those evangelized, no changes are involved in adopting these documents. Our work is simply better expressed for the world around us to comprehend. What, then, of us here?

This question has been a matter of prayer of your pastor for the past three years. What are we here for? What work has our Lord for our particular kind of stable, settled, rural, unmixed people to do? Worship? Of course, Sunday morning, and in our homes. Teaching?

**STATISTICAL REPORT  
SALEM UNITED PRESBYTERIAN CHURCH**

Venedocia, Ohio

Yes, Sunday morning, and through the courses of study in Youth and Women's work. Prayer? No, we are unwilling to meet and pray for each other and our community and world. Evangelism? Some, through our Benevolence giving. But we, personally are not willing to be evangelists with our neighbors. Reluctance on our part to meet to pray, and to evangelize our neighbors is not new. The question is how? This is a question with which your pastor has been concerned in prayer, and as yet has no answer. Therefore the answer must be in some heart in the congregations. Let it be known, that we may move together into the Lord's will.

Still, these are old and fixed problems of concern, what of our rapidly changing world, and our rapidly increasing pressures moral, social, religious and economic? We haven't much of the world's problems of race, politics, poverty, educational illiteracy in our community. All the standard and major problems pass us by, affecting us, yes, but indirectly. What more ought we to be doing? Perhaps opening our homes to Van Wert County's foster children is the answer. We have the stability, morality, and loving care of our families that they need.

May prayer-directed action mark the year of our Lord 1967 for us.

Serving with you,  
JAMES G. PATTERSON

# YOUTH AND BELL CHOIR

# SALEM CONTRIBUTIONS

January 11, 1967

Gen. Bency. 50 M.

Our church has a 40 member Youth Choir which has been meeting weekly and singing monthly for nine months of each year for ten and a half years. We also presently have an Adult Choir formed under the guidance of the Music Committee. In 1966 it met weekly and sang monthly from January through May, dispensed for the summer and fall and reorganized in December. The Adult Choir will be meeting regularly on Wednesday nights at 7:30 p.m. and welcomes everyone who likes to sing in a choir.

In the past two years interest has been aroused in the Art of Handbell Ringing as the result of the gift of Schulmerich Handbells and display cabinet given by the Thomas Morgan family. There are presently 33 people participating in four different handbell choirs. Three of these choirs have traveled outside of our church and in the past year have traveled a total of 1,342 miles. (Incidentally, I would like to insert here that when we began to travel the Mary-Martha Class gave us the money for our tables and boxes which Rev. Patterson made. We have no set fee that we charge. That is left to the group that invites us. But when we began traveling, we began to receive compensation so we opened our own account and have tried to be self-supporting. In every instance of traveling . . . and it takes two cars each time . . . the gas and mileage were donated.) We have played to over 3,085 people and this excludes our own congregation and the WANE-TV viewing audience which I had no way of counting.

Our income has been .....	\$291.95
Our expenditures .....	242.07
Leaving a balance of .....	\$69.88

An estimated value of Handbell equipment is \$975.00.

Respectfully submitted,  
Mrs. Bebb Jones,  
Director of these six groups
