

ANNUAL REPORT

of

Salem United

Presbyterian Church

of

VENEDOCIA, OHIO 45894

from

January 1, 1972 to December 31, 1972

PASTOR — REV. GEORGE W. WITMER

During the year 1973 Christians are being called to share in the evangelistic outreach of the church by participating in the concerns of KEY '73. Every member of our congregation needs to come alive to the exciting opportunity inherent in this church wide event.

Using an over-all theme, "Calling Our Community to Christ", over 140 different denominations are sharing in a mutual concern for the proclamation of the Gospel. Our challenge as members of the church is to discover the many opportunities we have to witness right here in our own community.

The task of the church in 1973 will be to focus on some of the basic objectives of Key '73 which are:

1. To share with every person the claims and message of the Gospel of Jesus Christ.
2. To **communicate** the Gospel and to share with others what Jesus Christ means to you.
3. To apply the message and meaning of Jesus Christ to the issues which face us daily.
4. To develop new ways of telling others about the love of God revealed in Jesus Christ.
5. To be a more aggressive witness for the Gospel during 1973.

KEY '73 is for the entire church, not for just a few select individuals. The full measure of success in any program within the church is PARTICIPATION! It is sometimes difficult to participate in a program when we do not set certain priorities in our Christian life.

One of our responsibilities to God and to the Church is to establish a set of priorities! Begin to realize the purpose for which God has given you the experience of Salvation! Establish priorities during this year to become more involved in the concerns and objectives of Key '73.

Sincerely in Christ,

GEORGE W. WITMER

Pastor
