

ANNUAL REPORT

of the

*Presbyterian Church*

of

Venedocia, Ohio 45894

FROM

JANUARY 1, 1975 to DECEMBER 31, 1975

PASTOR — REV. VON E. GIESSLER

The child of God can plead with Him for others and for situations in life. Abraham's height of faith and friendship with God seems at times to be beyond our "little possibilities." But Abraham grew, step by step, not by great leaps. So may we if we do not become discouraged.

No temptation in prayer life is more common than the failure to preserve. We begin to pray, but after a brief period of time, having received no definite answer, we cease altogether to pray for that particular need.

This is a deadly fault. Simply because the person who forms the habit of beginning without finishing has simply formed the habit of failure.

But someone says, "How long shall we pray?" There is but one answer. Pray until the thing you pray for has been granted, or until you have the assurance in your heart that it will be.

Remember, prayer is not only calling upon God but also a conflict with Satan. However we know that with God we are already victors. He that is mastered by Christ is the master of every circumstance.

In 1976 may our faith in prayer be evidenced by our consistency. May this portion of our Christian life grow in practice and in principle.

Yours in HIS service,

VON E. GIESSLER, Pastor

In August of 1975 a small group of interested people began practicing and learning the technique of handbell ringing. We now have a fairly regular group practicing and performing for the worship services now and then. We will not be traveling with this group so we may in the future not be self supporting as before and may have to turn to the Music Committee for assistance but those who are active feel that they are able to contribute to the enrichment of the music and worship of the church.

Respectfully submitted,
