## **TO THE CONGREGATION;**

**Members and Friends:**

Let me take this space this year to report to you on my work as your pastor during the last year and to challenge you again to make a personal commitment to our "Renew 1993-94" effort.

The most outstanding change in my work in 1993 was in my teaching ministry. Suddenly I found myself doing a lot more teaching in our church than ever before. Thank you for this opportunity. It is challenging, and I enjoy it! Teaching the elementary aged youth in Vacation Bible School was fun! I've thoroughly enjoyed teaching the same boys and girls in Sunday School. Digging deeper into the Kerygma Bible Study with adults has been a growth experience too. And getting ready for the 1994 communicants class was a joy! They say the teacher gets more out of these studies than the students. I don't know whether that is true, but it has been a satisfying experience.

I enjoyed working to make the Men's Prayer Breakfast a part of our church's ministry. We met monthly, cleaned up the Memorial Park in the spring; organized a nice intergenerational outing to a minor league baseball game in Fort Wayne; and we initiated the Family Fun Day and Golf Contests at the Woods Golf Club in September. Our church and really all Presbyterian churches would benefit from putting renewed emphasis on ministry with men. If you visit other Presbyterian churches, you will be surprised at how many men are active in our church when compared to others. This isn't to take away anything from the women of our church or all they do. But we do need to continue to explore ways to involve men in ministry and fellowship in our church.

An important part of my work has been to work on enhancing the way we worship God on Sunday morning. Not that it is just my work. Many of you are involved too. Under the "Renewal" umbrella, we began inviting boys and girls to read the scripture lesson once a month. It's a small thing, but very important. We thought, talked, prayed and worked our way through the question of clapping after special music. Again, it's a small thing, but important; and between the elders and the congregation, we made a decision that both honored traditional worship ideas and added something new and meaningful. Also, we expanded the planning committee for the special Weddings Anniversary Sunday, and that produced another beautiful worship service. May I suggest that we continue to think together about ways we can add to the vibrancy of our Sunday worship service.

**STATISTICAL REPORT FOR 1993  
SALEM PRESBYTERIAN CHURCH U.S.A.**

I feel very positive about my work with the Session in 1993. Why? Because we took a giant step forward. What is that giant step? We became a working group. That may seem like a small thing, but it isn't. We had been primarily a problem solving group. Not that we aren't still solving problems. An effective Session will always be challenged to solve problems. But we gained the confidence to move beyond that role, and as a result we got a lot of things done! Congratulations!

Let me mention one thing I did nothing about, but thoroughly enjoyed. That was the special service and dinner to honor me on the 10th anniversary of my ordination. Thanks most of all to Audrey, my wife, for all her forethought and labor. Thanks to those who served on the planning committee and everyone else who participated! It was a great day for me!

Finally, we must continue to look ahead in our commitment to renewal. That means we need to work to attract more and more of our membership into planning and working to renew our congregational life and ministry. And we must reach outward beyond our membership. We cannot stand still. If we are not going forward, we are going backward. Please continue to think about what you can do — what you are willing to do — to renew the life of Salem Presbyterian Church here in Venedocia, Ohio!

Thank you and may God guide you and strengthen you in the year ahead!

Yours in Christ,  
Reverend Scott W. Myers
